FOR IMMEDIATE RELEASE

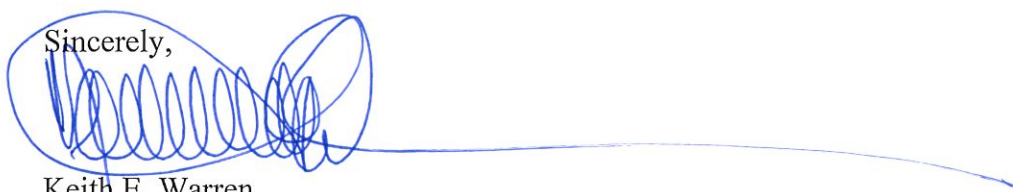

The Board staff continues to operate in the office to ensure your calls and emails are answered as well as addressing any public questions that arise. However, effective immediately, the Board will not issue any new licenses and will not process any new applications received in the office. ALEA is not operating the criminal background division currently which means we are unable to submit any finger-print cards for background results.

Please hold all new applications and refrain from submitting them to the Board office. The Board will notify you when we will resume accepting new applications.

You will also receive further directives this week regarding training of new guards and continuing education for guards needing to renew their licenses. This will require Board action and we will be scheduling a meeting this week that will not be open to the public and be conducted via conference call per Governor Ivey's State of Emergency Directives.

Thank you for your assistance and cooperation in this matter. Stay safe and healthy!!

Sincerely,

Keith E. Warren
Executive Director
